MELICONI, LES SUPPORTS TV.

Fixes, orientables, suspendus, muraux, fins et robustes, les supports TV Meliconi constituent une gamme complète de produits très élaborés d'un point de vue technique et esthétique. Conçus pour fixer et orienter tout type de TV dans n'importe quel pièce sans risque, ni effort.

Pour la dernière génération de téléviseurs ultra-minces, pour ceux qui souhaitent allier qualité et design il y a les gammes **Slimstyle Plus** et **Ghostslim Plus** ; Pour ceux qui priorisent la fonctionnalité et la praticité, il existe la gamme **Flatstyle** ; Enfin, ceux qui veulent gérer leurs appareils de manière élégante et ordonnée, s'orienteront vers les gammes **Ghost Design** et **Ghost Cubes**, Toutes nos produits sont conçus avec les meilleurs matériaux disponibles sur le marché sont fabriquées en Italie.

Meliconi, reste toujours à l'écoute des nouveaux besoins du marché pour offrir des solutions élégantes et utiles, compatibles avec les derniers modèles de téléviseurs. Meliconi complète sa gamme de supports avec deux nouveaux produits : **Flag TV**, un support TV design qui permet de faire pivoter de 90° un téléviseur jusqu'à 82", et **600 Floor**, un support TV posé au sol pour une solution épurée et élégante qui est en même temps adaptée à tous les besoins.

MELICONI, LOS SOPORTES DE TV.

Fijos, orientables, finos y robustos; Meliconi ofrece una gama de soportes para TV altamente avanzados tanto desde el punto de vista tecnológico como estético, pensados para colgar y orientar de la mejor manera, facilmente, cualquier tipo de televisor en cualquier entorno de la casa, en toda seguridad.

Ideal para televisores de última generación y ultraplano, para los usuarios que quieren un alta calidad y son atentos al diseño, Meliconi ofrece las líneas **Slimstyle Plus** y **Ghostslim Plus** mientras para los que buscan funcionalidad y practicidad ofrece la línea **Flatstyle**; para las líneas **Ghost Design** y **Ghost Cubes** son aquellas que decoran con estilo y orden un salon o un dormitorio, todos hechos con los mejores materiales y en Italia.

Meliconi siempre atento a las nuevas necesidades del mercado propone soluciones de diseño, útiles y compatibles con los modelos de TV más recientes, completa su gama de soportes con dos novedades: **Flag TV**, un soporte de TV de diseño que permite girar de 90° cualquier televisor hasta 82", y, un soporte de pié para TV, el **600 Floor**, una solución minimalista, elegante y funcional.

MELICONI, TV WALL MOUNTS.

Fixed, adjustable, slim, and robust; Meliconi offers a wide range of last generation TV mounts for any solutions, aesthetically refined, designed to mount and adjust in the best way, easily, any type of television in any environment of the house, safely.

Ideal for the latest generation and ultra-flat televisions, for users who want high quality and are attentive to design, Meliconi offers the **Slimstyle Plus** and **Ghostslim Plus** lines, while for those who seek functionality and practicality **Flatstyle** line is the right answer.

Ghost Design and **Ghost Cubes** lines will help you to decorate a living room or bedroom with style and order, all made with the best materials manufactured in Italy.

Meliconi, always attentive to the latest market needs, proposes design solutions, useful and compatible with the most recent TV models, completes its range of supports with two novelties: **Flag TV**, a design TV support that allows any 90 ° rotation TV up to 82", and a TV stand, **600 Floor**, a minimalist, elegant and functional solution.

SLIMSTYLE PLUS

ACCROCHEZ VOTRE TÉLÉVISEUR COMME UN TABLEAU, EN TOUTE SÉCURITÉ ET SUR N'IMPORTE QUEL MUR !

La gamme de supports TV SLIMSTYLE PLUS de Meliconi révolutionne l'installation de vos écrans avec innovation et sécurité, maintenant aussi sur des murs en plaques de plâtre. Ces supports muraux ultra-fins, avec un revêtement protecteur en caoutchouc, sont parfaits pour les téléviseurs de dernière génération et OLED. Grâce au système FAST BLOCK, l'installation est rapide et facile, tandis que la fonction EASY FIX UP&DOWN permet de régler la TV même après le montage. SLIMSTYLE PLUS comprend des supports fixes et orientables, avec une ou deux articulations, tous conçus pour un encombrement minimal, jusqu'à seulement 1,5 cm. Une fois fermé, le téléviseur effleure le mur, créant un effet cadre élégant sans compromettre la sécurité. La gamme est complétée par une variété d'accessoires de design, tels que des cache-câbles et des étagères pour appareils audio-vidéo, offrant des solutions à la fois esthétiques et fonctionnelles. Fabriqués à 100% en Italie, les supports SLIMSTYLE PLUS bénéficient d'une garantie de 10 ans et d'une qualité certifiée TÜV. Choisissez SLIMSTYLE PLUS de Meliconi pour une installation polyvalente et sécurisée, même sur des murs en plaques de plâtre.

CUELGA TU TELEVISOR COMO UN CUADRO, CON SEGURIDAD Y EN CUALQUIER PARED!

La gama de soportes TV SLIMSTYLE PLUS de Meliconi revoluciona la instalación de tus pantallas con innovación y seguridad, ahora también en paredes de yeso laminado. Estos soportes de pared ultradelgados, con revestimiento protector de goma, son perfectos para televisores de última generación y OLED. Gracias al sistema FAST BLOCK, la instalación es rápida y sencilla, mientras que la función EASY FIX UP&DOWN permite ajustar la TV incluso después de la instalación. SLIMSTYLE PLUS incluye soportes fijos y orientables, con una o dos articulaciones, todos diseñados para un volumen mínimo, hasta solo 1,5 cm. Una vez cerrados, el televisor toca la pared, creando un elegante efecto de marco sin comprometer la seguridad. La gama se completa con una variedad de accesorios de diseño, como cubrecables y estantes para dispositivos audiovisuales, ofreciendo soluciones tanto estéticas como funcionales. Fabricados 100% en Italia, los soportes SLIMSTYLE PLUS cuentan con una garantía de 10 años y calidad certificada TÜV. Elige SLIMSTYLE PLUS de Meliconi para una instalación versátil y segura, incluso en paredes de cartón yeso.

HANG YOUR TV LIKE A PAINTING, SAFELY AND ON ANY WALL TYPE!

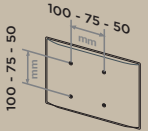

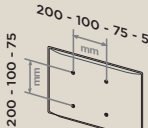

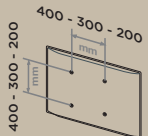

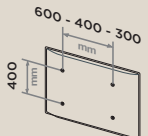

The SLIMSTYLE PLUS range of TV mounts by Meliconi revolutionizes the installation of your screens with innovation and safety, now also on plasterboard walls. These ultra-thin wall mounts, with a protective rubber coating, are perfect for the latest generation and OLED TVs. Thanks to the FAST BLOCK system, installation is quick and easy, while the EASY FIX UP&DOWN feature allows for post-installation TV adjustments. SLIMSTYLE PLUS includes fixed and adjustable mounts, with one or two joints, all designed for minimal bulk, down to just 1.5 cm. Once closed, the TV touches the wall, creating an elegant picture frame effect without compromising safety. The range is completed with a variety of design accessories, such as cable covers and shelves for audio-video devices, offering both aesthetic and functional solutions. Made 100% in Italy, SLIMSTYLE PLUS mounts boast a 10-year warranty and TÜV-certified quality. Choose SLIMSTYLE PLUS by Meliconi for a versatile and safe installation, even on plasterboard walls.

PROTECTION TV EN MOUSSE EVA (ÉTHYLÈNE ACÉTATE DE VINYLE)

La mousse de haute qualité (EVA) offre une protection optimale pour le TV. Elle amortit la pression lors du montage, évite le contact avec le châssis du TV et absorbe les vibrations sonores.

PROTECCIÓN TV EN ESPUMA EVA (ETHYLENE VINYL ACETATE)

Un revestimiento protector de goma, específico para las pantallas de última generación y OLED. La goma, situada en puntos específicos del soporte, protege la parte posterior incluso de las TV más delicadas, sobre todo durante la fijación a la abrazadera.

EVA FOAM PROTECTION FOR TV (ETHYLENE VINYL ACETATE)

A protective rubber coating, specific for latest generation and OLED screens. Positioned at particular points of the support, the rubber protects the back of even the most delicate TVs, especially when fixing them to the bracket.

GhostSlim PLUS

SUSPENDEZ VOTRE TÉLÉVISEUR COMME UN TABLEAU EN TOUTE SÉCURITÉ !

GHOSTSLIM PLUS est la nouvelle ligne de supports muraux ultra minces pour TV de Meliconi S.p.A., une combinaison parfaite de technologie de pointe, de matériaux de dernières générations et de design attrayant. Grâce aux fonctions innovantes EASY TILT et EASY TILT PRO, incliner votre téléviseur n'a jamais été aussi simple et précis. Installez votre TV au mur en seulement 3 étapes grâce au FAST BLOCK, le nouveau système de verrouillage auto bloquant : 1. Fixez le support au mur ; 2. Positionnez les crémaillères à l'arrière de votre TV ; 3. Accrochez et clipsez le TV sur le support. L'ajout d'un revêtement protecteur en caoutchouc sur tous les supports, protégera votre téléviseur au fil du temps, sans encombrement (jusqu'à un minimum de 1,5 cm du mur) et une sécurité totale. Tous les supports GHOSTSLIM PLUS sont 100 % Made in Italy avec une garantie de 10 ans.

¡CUELGA LA TV COMO UN CUADRO Y CON TOTAL SEGURIDAD!

GHOSTSLIM PLUS es la nueva línea de soportes de pared ultrafinos para TV de Meliconi S.p.A., combinación perfecta entre tecnología de vanguardia, materiales de última generación y diseño atractivo. Gracias a las innovadoras funciones EASY TILT y SMARTLOCK PRO, inclinar tu TV nunca ha sido tan fácil y tan preciso. Cuelgue su televisor en la pared en tres sencillos pasos gracias a FAST BLOCK, el nuevo sistema de bloqueo inteligente para soportes: 1. montar la placa en la pared; 2. atornillar los soportes en la parte posterior del televisor; 3. colocar el televisor en la placa de pared. El añadido de un revestimiento protector de goma en todos los soportes protegerá tu TV con el tiempo, sin renunciar a un volumen extremadamente reducido (hasta un mínimo de 1,5 cm de la pared) y a una total seguridad. Todos los soportes GHOSTSLIM PLUS son 100% Made in Italy y con 10 años de garantía.

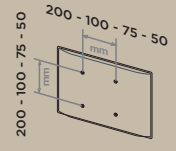

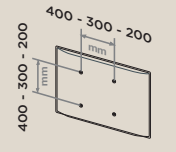

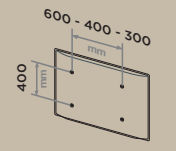

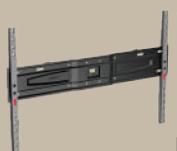

HANG UP THE TV LIKE A PICTURE, IN COMPLETE SAFETY!

GHOSTSLIM PLUS is the new line of ultra-slender wall supports for TV by Meliconi S.p.A., offering a perfect combination of cutting-edge technology, latest-generation materials and eye-catching design. Thanks to the innovative EASY TILT and SMARTLOCK PRO functions, it's never been easier to tilt your TV to just the right angle. Hang on your TV on the wall in three easy steps thanks to FAST BLOCK, the new smart locking system for brackets: 1. mount the plate to the wall; 2. screw the brackets on the back of the TV; 3. place the TV to the wall plate. The addition of a protective rubber covering on all the supports will protect your TV over the years, taking up very little space (up to a minimum of 1,5 cm from the wall) and guaranteeing complete safety. All the GHOSTSLIM PLUS supports are 100% Made in Italy with a 10-year warranty.

GhostDesign

MELICONI GHOST DESIGN: L'ALLIANCE DE LA TECHNOLOGIE ET DU DESIGN.

Ghost Design la dernière innovation de Meliconi va transformer votre intérieur. Ce concept de mobilier mural, accueille l'ensemble de votre équipement audio/vidéo. Ses lignes fluides et raffinées, son concept exclusif et ingénieux de gestion des câbles mettent en valeur votre espace TV. Le mobilier Ghost Design vous permet de dissimuler tous les câbles disgracieux de vos appareils audio-vidéo. Ainsi, il s'intègre parfaitement à votre espace tv et donne du style à votre salon.

MELICONI GHOST DESIGN: LO ÚLTIMO EN ESTILO.

El perfecto equilibrio entre belleza e inteligencia. La última e innovadora idea de Meliconi ha sido creada para conferirle un toque de moderna fascinación a su hogar. Ghost Design es la nueva fijación de pared con estilo para su equipamiento de audio y vídeo. Tecnología punta que combina con su contorno redondeado y minimalista, ofreciendo al Ghost Design su look tecnológico, manteniendo su área de visión del TV en perfecta armonía ocultando todos los cables y enchufes.

MELICONI GHOST DESIGN: THE ULTIMATE IN STYLE.

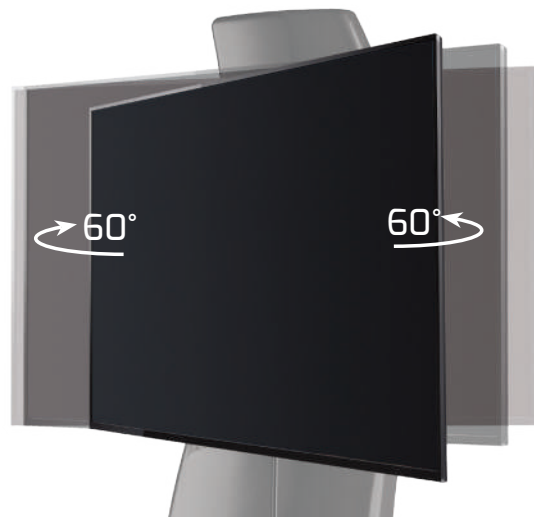

At last, the perfect match of beauty and Intelligence. Meliconi's latest innovative idea is ready to bestow a touch of modern fascination to your home. Ghost Design is the new Meliconi wall fixture accommodating all your audio and video equipment in style. State-of-the-art technology combines with minimalist yet refined rounded contours, giving Gost Design its tech-chic look, keeping your TV viewing area in perfect order and hiding all wires and plugs.
